Authorized By								
Supervisor's Title								

NH RSA 147-152 requires certain facilities licensed by the State to provide dementia care education to their staff. Initial training for direct care providers must be 6 hours and cover the five following areas: 1) Alzheimer's disease and dementia; 2) Person centered-care; 3) Assessment and care planning 4) Activities of daily living; 5) Dementia-related behaviors and communication. Initial training shall be complete only after the staff member has demonstrated related competency.

Training One

Each participant must gain competency in each of the required areas.

Date	Webinar Title	Satisfies Which Requirement		Evaluation Completed	CEU provided	Program Length
		<input type="checkbox"/>	Alzheimer's disease and dementia	<input type="checkbox"/>	<input type="checkbox"/>	
		<input type="checkbox"/>	person-centered care			
		<input type="checkbox"/>	Assessment and care planning

		<input type="checkbox"/>	Dementia related behaviors & communication			

Training Two

Each participant must gain competency in each of the required areas.

Date	Program/Webinar Title	Satisfies Which Requirement		Evaluation Completed	CEU provided	Program Length
		<input type="checkbox"/>	Alzheimer's disease and dementia	<input type="checkbox"/>	<input type="checkbox"/>	
		<input type="checkbox"/>	person-centered care			
		<input type="checkbox"/>	Assessment and care planning			
		<input type="checkbox"/>	Activities of daily living			
		<input type="checkbox"/>	Dementia related behaviors & communication			

Training Three

Each participant must gain competency in each of the required areas.

Program/Webinar		Satisfies Which Requirement			Evaluation Completed	CEU provided	Program Length
Date	Title						
		<input type="checkbox"/>	Alzheimer's disease and dementia		□	□	
		<input type="checkbox"/>	person-centered care				
		<input type="checkbox"/>	Assessment and care planning				
		<input type="checkbox"/>	Activities of daily living				
		<input type="checkbox"/>	Dementia related behaviors & communication				

Training Four

Each participant must gain competency in each of the required areas.

Program/Webinar		Satisfies Which Requirement			Evaluation Completed	CEU provided	Program Length
Date	Title						
		<input type="checkbox"/>	Alzheimer's disease and dementia		□	□	
		<input type="checkbox"/>	person-centered care				
		<input type="checkbox"/>	Assessment and care planning				
		<input type="checkbox"/>	Activities of daily living				
		<input type="checkbox"/>	Dementia related behaviors & communication				

Training Five

Each participant must gain competency in each of the required areas.

Program/Webinar		Satisfies Which Requirement			Evaluation Completed	CEU provided	Program Length
Date	Title						
		<input type="checkbox"/>	Alzheimer's disease and dementia		□	□	
		<input type="checkbox"/>	person-centered care				
		<input type="checkbox"/>	Assessment and care planning				
		<input type="checkbox"/>	Activities of daily living				
		<input type="checkbox"/>	Dementia related behaviors & communication				

Training Six

Each participant must gain competency in each of the required areas.

Program/Webinar		Satisfies Which Requirement			Evaluation Completed	CEU provided	Program Length
Date	Title						
		<input type="checkbox"/>	Alzheimer's disease and dementia		□	□	
		<input type="checkbox"/>	person-centered care				
		<input type="checkbox"/>	Assessment and care planning				
		<input type="checkbox"/>	Activities of daily living				
		<input type="checkbox"/>	Dementia related behaviors & communication				

Training Seven

Each participant must gain competency in each of the required areas.

Program/Webinar		Satisfies Which Requirement		Evaluation Completed	CEU provided	Program Length
Date	Title					
		<input type="checkbox"/>	Alzheimer's disease and dementia	□	□	
		<input type="checkbox"/>	person-centered care			
		<input type="checkbox"/>	Assessment and care planning			
		<input type="checkbox"/>	Activities of daily living			
		<input type="checkbox"/>	Dementia related behaviors & communication			

Training Eight

Each participant must gain competency in each of the required areas.

Program/Webinar		Satisfies Which Requirement		Evaluation Completed	CEU provided	Program Length
Date	Title					
		<input type="checkbox"/>	Alzheimer's disease and dementia	□	□	
		<input type="checkbox"/>	person-centered care			
		<input type="checkbox"/>	Assessment and care planning			
		<input type="checkbox"/>	Activities of daily living			
		<input type="checkbox"/>	Dementia related behaviors & communication			

Training Nine

Each participant must gain competency in each of the required areas.

Program/Webinar		Satisfies Which Requirement		Evaluation Completed	CEU provided	Program Length
Date	Title					
		<input type="checkbox"/>	Alzheimer's disease and dementia	□	□	
		<input type="checkbox"/>	person-centered care			
		<input type="checkbox"/>	Assessment and care planning			
		<input type="checkbox"/>	Activities of daily living			
		<input type="checkbox"/>	Dementia related behaviors & communication			

Training Ten

Each participant must gain competency in each of the required areas.

Program/Webinar		Satisfies Which Requirement		Evaluation Completed	CEU provided	Program Length
Date	Title					
		<input type="checkbox"/>	Alzheimer's disease and dementia	□	□
